cleanfix®
Swiss Made Quality.

RA410E / RA410B Scrubber Dryer

The RA410 produces perfect results on all types of hard floors, especially for non-slip and textured floors, with its powerful cylindrical brush and twin retractable squeegees. It scrubs and dries forwards and backwards in one continuous action. Its adjustable handle height enhances operator comfort and makes transportation easy. Available in Electric (RA410E) or Battery (RA410B).

- 1500 Watt Motor & 45 Ltr Capacity Solution Tank (Electric)
- 33 Cm Cylindrical Brush, Cleaning Forward & in Reverse
- 36 Kg (Electric) with Folding Handle For Ease of Transport
- Adjustable Handle for Greater Operator Comfort
- Compact Machine for Cleaning Small Areas & Hard Floors
- Powerful Cylindrical Brush Suited to Textured Floors

☑ *High Performance & Highly Reliable*
