FLOORMAC Oscillating Single Disc

The Floormac is a multi-purpose machine featuring an innovative oscillating action. Easy to operate and very versatile, it is suitable for a multitude of applications including kitchens, stairs, lavatories, carpet spots, parquetry, stone floors, linoleum, etc. The oscillating action eliminates vibrations while cleaning up-close to walls, cubicles and steps, with no kick-back. Suitable for residential and commercial use.

- 1450 Rpm Oscillating Speed with Antivibration System
- Ideal for Maintaining Parquetry, Stone and Linoleum Floors
- Light 13 Kg Weight with 33 Cm Cleaning Path
- Use with Pads, Microfibre, Brush or Bonnet Pad (for Carpet)
- Ready to Use with Mounted Spray Unit & Accessories
- Ideal for Residential, Commercial & Hospitality

- ✓ **High Performance & Highly Reliable**
